

Social Story

I will arrive at
Cotswold Wildlife Park
and may have to
wait 🚫 in a queue
on the drive as we
wait to speak to the
pay desk staff.

Once we have paid
we will have to park.

There may be lots
of other cars around.

We can then walk into
the Wildlife Park.

There will be other people visiting the Park.

The other people will want to look at the animals and will be in the restaurant, toilets, play area and gift shop.

I will see lots of
different animals at
Cotswold Wildlife
Park.

I might see the gift shop and might be able to buy a gift.

I might see the
restaurant where
I can get something
to eat or drink.

I might visit the
play area.

There are lots of
toilets at Cotswold
Wildlife Park.

I might see the
changing room
toilet.

I might see the train.

The train goes on a
little journey around
Cotswold Wildlife Park
and comes back to
where it started.

I may ride on the
train.

If I do I will have to
wait 🛑 at the train
station until there
is space for me to
ride the train.

There are lots of
staff around to
help me.

They all wear uniform
with the Cotswold
Wildlife Park logo.

At the end of my
visit I will go back
to the car.

We will then leave
through the
exit gates.
