Interim Head Teacher: Mr Rob Gardner BSc (Hons) PGCE, NPQH

Monday 13th October

Dear Parents and Carers,

This Thursday, The Eagle class has the exciting opportunity to attend a poetry event at Hawkwood college. This will be led by author Michael Rosen and will include a number of poets performing. The event is put on by Hot Poets, an organisation who want to address science and climate issues through poetry and we have been asked to be part of a very select group attending.

The day will encompass our Forest School session as the class will walk across to Hawkwood (this will be broken up with breaks, activities and lunch). Children should have **rain coats** and **sturdy outdoor shoes** for walking, however please send them to school in **full school uniform**. The session will end at **3.15pm** and we ask parents to **collect children from Hawkwood** at this time. We understand that the logistics of this may be more complicated, siblings can be picked up early or later from school on that day to assist with this.

The session is part of the Hot Poets' development of a school education programme which will be launched by Michael Rosen in November. This is partly why he is hosting this event himself. The event will be recorded and Hot Poets hope that some parts may be used for the launch. I have attached a link to a Hot Poetry website where you will be able to indicate your preferences around recording. See below:

<https://forms.gle/zBP3ANVK9fBKXiWXA>

Please complete this form before the event this Thursday. If you are also able to let us know if you have restricted permission, that would be very helpful. We trust this will be a very enjoyable and valuable experience for Eagle Class. If you have any further questions please do not hesitate to contact me.

Sincerely,
Rob Gardner
Interim Headteacher
Sheepscombe Primary School
