Dear Parents and Carers,

We are pleased to introduce **ClassDojo** this year as a way to strengthen communication between home and school. From the new year, ClassDojo will initially replace our existing text messaging system, helping us to keep you informed about important news, reminders and your child's learning.

What is ClassDojo?

ClassDojo is a simple, free communication app that helps parents and teachers stay connected. It is available to download on iOS and Android devices, and you can also access it from a computer by visiting www.classdojo.com.
We would love for all our families to join us on ClassDojo!
To find out more about the platform and how it keeps your family's information safe, please visit:

- Learn more about ClassDojo
- ClassDojo Privacy Centre

What will ClassDojo be used for?

Class Stories and Updates

- Class teachers will use ClassDojo to share:
- Photos and updates from the classroom.
- Important school announcements and reminders.
- Snapshots of what children are learning in class.
- Highlights of classroom activities and experiences.

We hope this will help you feel more connected to your child's school day and give you a greater insight into their learning and achievements.

How do I get started?
Joining ClassDojo is completely free and only takes a few minutes.

1. **Download the app** – Search for ClassDojo in the Apple App Store or Google Play Store, or visit www.classdojo.com on your computer.
2. **Sign up as a parent** – Follow the instructions to create your parent account.
3. **Connect to your child's class** – Use the unique QR code that your child(ren) will bring home this week.

If you have any questions or need help getting started, please do not hesitate to contact the school. We will be happy to help.

Thank you for your continued support. We look forward to using ClassDojo to build even stronger links between home and school and to keep you up to date with all the wonderful things happening in our classrooms.

Best wishes,
Rob Gardner
Head Teacher
