

FOSS Meeting

20.9.21

Attendees:

Lucy S, Amy, Catherine, Leonie, Georgie, Rob, Eva, Grace, Sophie

EVENTS FOR THIS TERM:

Sponsored cycle ride

Cake sale on last Friday before half term via Class Reps

Tea -towels

Bonfire night?

FOSS ROLES

Amy Johnson and Lucy Stanway will continue for now as joint Chair but will step down next year - if anyone could please think about taking this on that would be great, come and have a chat if you have any questions. They will still be on hand at school for help and will still remain active members of FOSS so you wouldn't be left on your own!

We need class reps for each class for this term to run any mini events such as cake sales, film nights etc. So far we have as follow:

Eagle - Eva and Leonie

Kestel -

Merlin - Sophie

Can anyone please help in the other classes?

FUNDRAISING FOR AUTUMN/WINTER TERM

Sponsored cycle ride

All is going ahead with the cycling event: t-shirts and speedometers should be with us in the next week or so. The Go Fund me page will be set up soon, super Saturday event details to be confirmed soon. This was our biggest fund-raiser last year so it would be brilliant if we could get involved as much as possible. It also then takes the pressure off the rest of the year if we get further restrictions placed on gatherings and if they don't then we can just have some fun social/enrichment events rather than worrying about raising lots of money!

Tea Towels

We thought it would be nice to do the school tea towel again as it's been a few years. Grace has kindly offered to sort this out. If anyone has done them before and has any useful info then please let her know.

Family Cookbook

This idea was discussed and everyone thought it was a great idea -especially if it could be completed before Xmas so it could be used for gifts. Would anyone be able to take the lead on this project? Anyone got any connections to the printing/publishing world? We would need to move on this quite quickly if we were going to get it all together for December.

Bonfire Night

This will hopefully go ahead on 6th November in the Village Hall. Although it is a Village run event FOSS always does the food and drink. We will be asking for volunteers nearer the date and if we know if it is allowed to run to make and serve mulled wine and hot chocolate.

FUTURE EVENTS 2022**School Disco**

We would love to be able to do this again on the last day of term before the February half term in the Village hall. We will confirm this nearer the date when we know what is allowed due to restrictions.

BBQ/Family Picnic at the Cricket Pitch

This would be great as a social event in June time if restrictions allow. Catherine would also be able to do family portraits at the same time.

Car Boot/Table Top Sale

This was another suggestion that would be good to have around Spring/Summer time so we will discuss further at a later FOSS meeting.

Next meeting date Monday 1st Nov, Weds 3rd or Friday 5th November 2021 - before pick up 2:30?.
