Sheepscombe Primary School

An inspirational setting where all children flourish

18th November 2022 Newsletter

Dear Parents & Carers,

Firstly, I would like to thank the FOSS team and parents who helped to run the fireworks event earlier in the month - your help was very much appreciated and it was lovely to see many of you there. Secondly, thank you very much to those parents who came in to run the recent film night for the children after school. Support from parents is welcome in all of its forms so if you do find yourselves with a few hours to spare then we would love to hear from you.

School is a hive of activity as you would expect and we were delighted to take Merlin Year 1 and 2 to the sports hall event at Archway School a couple of weeks ago. For many this is the first off-site sports event that they have been to and every child was fantastically behaved and gave their very best effort.

At Forest School children have enjoyed cooking flatbreads over the fire which everyone enjoyed. Cooking is set to continue throughout the year so if you have a favourite recipe that lots of children could prepare at the same time then do let us know - even better if it can be cooked on an open fire. We hope that you enjoy looking at some of the photographs on this newsletter.

As you may know from talking to your children, preparations are underway for the Stroud Lantern Festival on December 2nd. For those of you new to school, this is a Sheepscombe School favourite event which fits perfectly with our Art and Design curriculum as the children get to design and make 3D structures which they then have the option to parade through the streets of Stroud with the rest of the school as part of their Goodwill evening.

This year the children are each making colourful Hot Air Balloons complete with baskets as well as one really giant balloon to lead the way.

On the back of this newsletter are the key dates ahead as usual but also the dates and times of the Christmas events coming up this term, so please take a look. More specific details will come out shortly from myself or class teachers as we finalise arrangements.

Our attendance so far since the start of term remains at 95% - so far so good, thank you...but we really don't want the school to drop below this.

I hope that you all have a n enjoyable weekend.

Kind regards,
Vicky Dangerfield
