Head teacher: Mrs Vicky Dangerfield BSc Hons GTP Primary

Dear Parents of Eagle Class children,

Welcome back to Terms 3 and 4 from the Eagle Class Staff!

This letter outlines the routines we have in place for this term and gives more information about how our class runs. We hope you find it useful. Please do come and chat if you have any questions and we will send out more information as the term progresses.

The children have settled back well after the Christmas break and everyone seems to have had a good holiday.

The main staff team in Eagle Class across the week are Mr Crocker, Mr King (TA and lunch time cover) and Mrs Kyte (TA). Our sports provision is supported by the Atlas Sports team. We should have the Music Service working with us on a Tuesday afternoon.

Our week will look like this subject to special events which you will be told about in advance.

For Forest School, children will need wellies and waterproofs and warm clothing when appropriate as the weather cools going into autumn. The first week of Forest School for Eagle class will be in week 3 of this Term. When it gets cold, gloves and hats are essential clothing.

PE takes place on a Tuesday morning and children should come dressed in PE kit for the whole day. As we intend to be outside then leggings or joggers (or similar) are recommended, along with trainers.

Please could all children have a water bottle in school all week, thank you. Children may get a drink at any time, and have their bottle at their table space. If you forget to bring one, please let us know and we will organise a drink for them. We encourage children to drink regularly during the day but if you do find that your child is drinking less than they might usually then please let us know. We will also refill bottles when they are empty - so if they come home full just check with them if they've had a refill during the day.

During break time the children are allowed fruit and vegetable snacks so please send in a healthy break time snack from home. Lunches run the same as last year with choices going to Mrs Powell in the office ahead of time. If your child eats very little on any particular day we will let you know.

Could we also please ask that all uniform is named - even if it is written in pen on the label - we'd love to have no lost property in our classroom (school children have a talent to smell each other's jumpers and tell us but this is not the best way to find out who's is whose).

We would encourage you all to hear your child read, as a fluent reader makes a super writer. We are very proud of how well our children read at Sheepscombe. Please check your child's bag for their reading records. In class the children do lots of varied reading tasks from whole class reading, reading for pleasure, comprehension activities and reading out loud.

Spellings will continue to come home regularly. We use the 'Spelling Shed' resource which is aligned with the National Curriculum. Children will have a weekly sheet with words to practise. Spelling tests will take place on a Friday morning and spelling folders need to be in school on that day so that new spellings can be added. Thank you.

In terms of mathematics, the priority is learning our time tables. Please look online for useful resources. <https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

We are all looking forward to the term ahead - we have lots of exciting things planned - watch this space!

Finally, please remember my door is always open. If you have any questions or concerns or even if you just want to catch up with us.

Kind regards

Mr Crocker, Mr King and Mrs Kyte
