

To develop our role as responsible global citizens

Learning about where food comes from globally
Learning about locally grown food
Learning about the weather and seasons
Valuing our global natural environment

To develop our calculation & reasoning skills

Number:

Number and Place Value

Addition

Subtraction

Multiplication

Division

Measure and Geometry

Geometry: properties of shape

To develop our speaking, listening, reading and writing skills

Reading for Pleasure - Promote a love of reading through home reading, quiet reading time, guided reading sessions, listening to the class reader, 1-to-1 reading, daily phonics lessons as well as tricky word learning for the relevant phase and other incidental reading opportunities.

Weekly spelling learning

Regular punctuation and grammar lessons based on the text type being taught

Weekly News writing

Drawing, labelling and recording our ideas and findings

Sequencing ideas and stories, labelling, adding speech and thought bubbles

Story writing based on Rosie's Walk and Handa's Surprise

Instructional writing based on The Giant Jam Sandwich

Information (non-fiction) writing based on farming

To develop our creativity through Music, Art, Drama and Design

Art – printing with a focus on pattern, mark making techniques linked to our focus artist and techniques with clay.

Focus artist - Olga Gamynina

DT— willow construction

Food preparation

Music - Garage Band

Field to Fork

Merlin Class

Year 1 and 2

Autumn 2023

To learn about our responsibilities to each other and our own self-care and mental well-being through PSHE & RHE

Getting on and falling out

My special people,

Bonfire safety

Internet safety with Digiduck

Bullying

Being active and keeping learning

Relationships - Managing Friendships, Caring

Friendships

My body is my body

To show how we engage with our local community

Stroud Lantern Parade

Whole School Farm Visit

Community Christmas Nativity

To develop our digital skills through computing & use of technology

Internet safety

Digital painting

Moving a robot

To develop skills in our environment

Forest School.

Foraging, cooking on a fire and making medicinal balms.

Using natural materials to make art with a focus on pattern.

Fire lighting, shelter building, apple day activities, team building games and Christmas craft

To show we are kind and thoughtful to ourselves and others through our values

Term 1 Respect

Term 2 Courage

To develop our knowledge of other languages

French – French with Mrs Kyte

Greetings and basic conversation, numbers, colours and simple songs.

To find out about the beliefs of others through RE as well as about our own family views

Term 1 Learning about what Christians think God is like by looking at a variety of views and making connections with our own worldviews.

Term 2 Learning about how we should care for others and the world, thinking especially about why it matters.

To develop our physical fitness

PE in conjunction with Atlas Sports

Space, agility, changing direction, throwing accurately, catching, jumping and landing.

To make discoveries about Geography, History & Science

Geography – Features of a map and map making and aerial photographs. Where does our food come from? Continents and physical features of the landscape. Weather, seasons and how this impacts farming.

History— Farming machinery through the years, timelines, old and new, how has farming changed. The use of animals on farms and how this has changed

Science—Observing, gathering and recording data

Animals Including Humans—understanding that animals have offspring which grow into adults, basic needs for survival, the importance of exercise, eating the right amounts of different foods and hygiene

Living Things and their Habitats— Explore the differences between living, dead and never been alive. Identify habitats and micro-habitats. Simple food chains.
